**Specifically formulated to soothe chronically dry skin.**

Non-comedogenic **Cetaphil® Moisturizing Lotion** has a non-greasy formulation that is mild, non-irritating and long lasting. This gentle moisturizing formula contains emollients and humectants that bind moisture to the skin. This fragrance-free moisturizer contains no lanolins or parabens that could irritate sensitive skin.

**Ingredients:** Water, Glycerin, Hydrogenated Polyisobutene, Cetyl Alcohol, Ceteareth-20, Macadamia Integrifolia Seed Oil (Macadamia Nut Oil), Dimethicone, Tocopheryl Acetate, Stearoyldimethylsilane, Stearyl Alcohol, Panthenol, Farnesol, Benzyl Alcohol, Phenoxypentanol, Amylates C10-30, Allyl Acrylate Crosspolymer, Sodium Hyaluronate, Citric Acid.
